Milling Co Ltd

FEEDER CATALOGUE

DISTRIBUTED IN CANADA EXCLUSIVELY BY ARMSTRONG MILLING 

More Birds

More Birds is the perfect entry-point for new birders. Offering a comprehensive line of durable, high quality, yet affordable feeders for any species of bird, from an extensive hummingbird line, numerous thistle feeders for finches, to a wide variety of hopper, tube and platform feeders for every feathered friend in between. The affordable prices may be what brings in new birders, but it's the quality and thoughtful designs by our team of veteran birders that makes More Birds the favourites of beginners to enthusiasts alike.

Perky Pet

A venerable name in the world of birding, Perky Pet is the industry-leader, known for high-quality, durable feeders of all types. Beginner-friendly, but enthusiast-focused, Perky Pet offers a wide variety of quality feeders, full of innovation and features. From our Flexport system, to our combo feeders with adjustable ports for either Nyjer or larger seeds, and wide variety of all metal, weather-proof designs, Perky Pet is a one-stop brand for beginner-friendly, enthusiast-focused feeders with rich feature sets, that will last for years to come.

Squirrel-X

Like highly-skilled, furry bandits, Squirrels have an uncanny knack for stealing the meals of countless of our feathered-friends nation-wide, every year. We love all animals, furry or feathered, but this injustice needed an answer. Squirrel-X answers that call with our comprehensive line of humane squirrel-resistant feeder solutions. With weight-activated port closures and post baffles for keeping squirrels away, and a wide variety of sizes and styles, Squirrel-X is the comprehensive solution to all your squirrel woes.

Tube Feeders

Jumbo Seed Feeder

Our jewel-tone Jumbo Seed Feeder is constructed of durable polycarbonate plastic. This beautiful feeder is sure to attract many songbirds and enhance every backyard birding station.
